Dear Parents/Carers,

We have been made aware that several titles in the **Spy Dogs, Spy Pup, and Spy Cat series by Andrew Cope** contain a weblink at the back of the book that no longer directs people to information about the books. Instead, the link has been compromised and now leads to inappropriate and unsafe material, containing pornographic content with no age restrictions.

To confirm, we have checked book areas, the library and done a scan of the whole library system and we do not have any copies of these books in school.

Below are images of some of the front covers in the series to help you identify the books should you have any at home. We advise you remove them immediately. Should any be the property of the school, please return them and we will dispose of them accordingly.

Yours sincerely,

Mrs. L. Cooke
