Thursday 25th September

Dear Parents,

It has been brought to our attention that there have been recent incidents of children using inappropriate language, including swearing, while at school and when walking home. We want to remind all families that respectful communication is an important part of maintaining a positive and safe learning environment for everyone.

The children of St Leonard's are always complimented on school visits, trips and by visitors to school on their excellent behaviour and manners and are held in high regard in the school community. This is the St Leonard's we are.

I have spoken to individual children today, who will be receiving consequences in line with our behaviour policy.

I am kindly asking for your support in reinforcing with your child the importance of using polite and respectful language both in school and in the wider community. By working together, we can help all children develop positive communication skills and show kindness and respect to others.

Thank you for your continued support. If you have any questions or would like to discuss this further, please do not hesitate to get in touch.

Yours sincerely,

Mrs K Cullen

Headteacher

"Growing in Faith and Learning"

'Add to your faith goodness: and to goodness, knowledge' 2 Peter 1:3
