| I enjoy coming to school.                          | 100%                                                                              |                                                                                   |                                                                                    | "School is so much fun, we play with our friends and learn lots of good things, I love phonics"                            |
| My learning is fun.                                | 92%                                                                               | 8%                                                                                |                                                                                    | 1 pupil chose sometimes and said "I find learning tricky sometimes"                                                        |
| I know what to do if I find something difficult.   | 100%                                                                              |                                                                                   |                                                                                    | "Ask your friend to remind you, have a think about it and then if you are still stuck ask your teachers, they help you"    |
| I know how I am doing in my learning.              | 100%                                                                              |                                                                                   |                                                                                    | "Teachers tell you when you do good things or when you need more practise"                                                 |
| I know who I can talk to about my learning.        | 100%                                                                              |                                                                                   |                                                                                    | "Ms Bryan, Mrs Grove, Mrs Cullen, Mr Walker, Mrs Ward and Mrs Byrne"                                                       |
| I know the next steps to improve my learning.      | 100%                                                                              |                                                                                   |                                                                                    | "Ms Bryan tells you what to do next"                                                                                       |
| I know what to do if I have a problem at playtime. | 100%                                                                              |                                                                                   |                                                                                    | "If you hurt yourself teachers help you or if you fall out you should fins someone else to play with or tell the teachers" |
| I feel safe at school                              | 100%                                                                              |                                                                                   |                                                                                    | "Ready, respectful and safe are our school rules, fire alarms keep you safe and rules on what to do"                       |
